

()

Oh my Father
In Your steady arms

My soul is safe
It is put to peace

With Your hands Lord
I see You embrace my life

Your calming peace
Truly fills up my heart

And though I stumble and fall
Though my knees falter

Oh Lord, You are inside me
Holding tight on to me

All of my thoughts
I focus on You, Lord

And I embrace the peace
Surrounding me with warmth

In all Your promises
My soul is put to peace

I place my trust
In the greatness of Your plans

Above my thoughts

I set down all my dread and fears
And put my trust in You

My soul is safe in Your hands
Safe in Your great hands

I Thank God

Wandering into the night
Wanting a place to hide

This weary soul
This bag of bones

I tried with all my might
But I just can ' t win the fight

I ' m slowly drifting
A vagabond

And just when I ran out of road
I met a man I didn ' t know

And he told me
That I was not alone
가

You picked me up
You turned me around

And placed my feet
On solid ground

I thank the Master
I thank the Saviour

Because You healed my heart
You changed my name

Forever free
I ' m not the same

I thank the Master
I thank the Saviour

I thank God

I cannot deny what I ' ve seen
Got no choice but to believe

My doubts are burning
Like ashes in the wind

가

So, so long to my old friends
Burden and bitterness

You can just keep it moving
Nah, you ain ' t welcome here

From now till I walk
Streets of gold

가

I ' ll sing of how
You saved my soul

This wayward son
Has found his way back home

Hell lost another one
I am free, I am free, I am free

,

Get up, get up, get up
Get up outta that grave

()

Shout for joy to
The Lord of all earth

가

Come toward the Lord
With all gladness and joy

Know that the Lord is God
And we're His people

The sheep of
His green pasture

With a grateful heart
Let us lift His name

가

And enter His courts

With praise

With a heart of praise
Let's bless His name

For He's our worthy King

For the Lord is good
And His love endures

Forevermore

And through all generations
His faithfulness will continue

Here before the Word
And in awe I do

Stand before
The Lord alone

I obey the words
Of life that I read

I will worship our Lord

These recorded words
Hold within a power

Sanctifying us
With the truth it tells

For eternity
Holy words become

Gospel truth and speaks
For us all to hear

The one who fears the Lord
And trembles at His Word

Risking their life
Abiding by His word

This is who the Lord does seek
This is the promise we believe

The one who puts their faith

In the words of our God

가
Following and
Obeying our Lord

Those who will achieve
His Kingdom on this land

All churches arise
For our Lord

The words of God
Gives us all

Wisdom for gaining
Our full salvation

With my life and
All my strength

I will abide by
His words now

()

Till salvation of the world
Is achieved by nations wide

Almighty Father
You will not rest

가

With a heart resembling Yours
We will rise and walk in faith

We want to follow You Lord

가

Till the day that all around
Witness Your glory firsthand

You call upon us all
Our Father

Let us be Your hands and feet
Healing this world in its need

Let us serve You till the end

As the waters
Cover the sea

All the nations in this land
Bow down to Your glory

가
Lord, Your glory
Fills up the world

As the waters
Cover the sea

As the waters
Cover the sea

As the waters
Cover the sea

On that day
We will see

가
A world full of glory
From our Lord
